- 1 The above financial results were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on 13th August, 2019.
- 2 Transition to Ind AS 116 'Leases' - Effective from 1st April 2019:
The adoption of Ind AS 116 did not have any impact on the results for the quarter ended 30th June, 2019 as there are no leases entered by the company.
- 3 The Hon'ble High Court of Judicature at Hyderabad for the State of Telangana and the State of Andhra Pradesh dismissed the Company's writ petition (along with the other petitions on the same matter filed by other companies) vide its common order dated May 19, 2016 ('the Order') in which it upheld the validity of levy of Electricity Duty @ 25 paise per unit by the State Government on consumption of electricity by captive generating units relating to earlier years. In the year 2016-17, the Company filed a Special Leave Petition (SLP) in the Hon'ble Supreme Court which dismissed the SLP vide order dated September 27, 2016 on the grounds that these matters were pending before the Board for Industrial and Financial Reconstruction (BIFR), and unless payments were being made by the petitioners as directed in its interim orders @ 15 paise per unit. The Hon'ble Supreme Court also granted liberty to the petitioners to revive the petitions after the decision is given by the BIFR. Currently, the case filed before BIFR stands abated and the Company has not initiated any proceedings before the NCLT.

The management is of the view that as the case filed before BIFR stands abated and no demand notices were received thereafter for the payment, the Company has treated the estimated duty amount aggregating ₹ 284 lakhs as a Contingent Liability and no provision has been made in respect of the same. In the event of an unfavorable verdict/outcome in this matter, the Management based on the Supreme Court's interim orders and considering the inherent uncertainty in predicting the final outcome of the above litigation estimates the impact of the potential liability to be ₹ 170 lakhs.

In view of the above, the auditors have made a qualification in their Limited Review Report about their inability to comment on the ultimate
4 Over the last few years, the Company has been incurring losses and as at 30th June, 2019, the accumulated losses have completely eroded the net worth and its current liabilities exceeded the current assets as on that date. During the current period ended 30th June, 2019, the Company has incurred a loss of ₹ 1169.51 Lakhs.
The financial results have been prepared on a going concern basis, based on a Comfort letter provided by the promoters for continued support to the Company to meet its financial obligations, in order to enable the Company to continue its operations in the foreseeable future.
5 Sugar Industry being seasonal, the performance of the Company for the current and previous quarters are not comparable.
6 Previous period's figures have been regrouped / reclassified wherever considered necessary to correspond with the current period's classification/disclosures.
